Resources to support officers and staff working in neighbourhood policing

Listicle 3 mins read

This page is a one-stop reference for quick access to resources about neighbourhood policing.

These resources will be updated regularly. For our College Learn (MLE) resources you will need to be logged in.

Being a neighbourhood police officer

Watch our videos to hear first-hand experiences from officers working in neighbourhood policing.

'The main thing I really enjoy about being a police officer is engaging with the community,'
says PC Matt Eld.

'I loved having the freedom to be creative and effectively resolve community problems,'
says Inspector Barry Gosling.

Neighbourhood policing guidelines

Our evidence-based guidelines on how to understand and work with communities include advice on putting this into practice.
