Published on 21 December 2023

A week celebrating local, community and neighbourhood policing, with opportunities to get involved

News 3 mins read

We are joining police forces up and down the country to celebrate neighbourhood policing week of action. We will both celebrate the achievements of neighbourhood policing and provide opportunities and support for officers and staff throughout the week.

During the week we will highlight the vital work that neighbourhood officers, police community support officers (PCSOs) and volunteers do to protect the public and keep people safe.

We will also be sharing a [wide range of resources](#) to support neighbourhood policing teams in their day-to-day roles, including CPD, case studies and problem-solving tools.

Join the discussion – let us know what you're doing to celebrate the week using the hashtag #NeighbourhoodPolicingWeek.
